

TRIMS Release 15 - New Features

TRIMS GETS A FACELIFT FOR 2015

TRIMS Menu

- Option to hide/disable calendar from the TRIMS Main Menu screen has been added to Password & Access Privileges.
- TRIMS RapidAssist will be replaced with **TRIMS TechAssist** for greater ease with connection and file transfer between TRIMS Support and TRIMS User.

Browse Tables

- New look with resizable column headings for better readability.
- Smooth scrolling with no orphan records at end of file.

Inventory

- Multi-Select Function added on Inventory Browse Table for Inventory Item Batch Deletion.

| X | Stock No | Description |
|---|----------|--------------------|
| | 10W30 | MOTOR OIL |
| * | 800R195 | TRACTOR TIRE |
| * | AF-100 | AIR FILTER |
